Escape the Libe!

Draw in some new plants and flowers for the Libe.
Michael Marquez, a notorious library thief, has finally been captured! While searching his home, investigators discovered a hidden trove of long-lost manuscripts written by unknown authors from the 20th century. Using only the clues given, match each piece to its author and date so we can return them to the Libe.

Remember, as with all grid-based logic puzzles, no option in any category will ever be used more than once.

Clues:
1. H. Allen’s manuscript is “To Kill a Dove.”
2. J.J. Lewis’s manuscript was written 16 years after “Brave New Earth.”
3. “Brave New Earth” was written sometime before W. Robinson’s manuscript.
4. The 1948 manuscript is “Lord of the Pigs.”
