Welcome to Rhodes College!

For #ColorOurCollections Week 2019, we would like to invite you to #ColorOurCampus.

Rhodes College in Memphis, Tennessee is an impressive example of Collegiate Gothic architecture. We have remained faithful to that vision from our very first buildings in 1925 through our most recent structure, Robertson Hall, which was dedicated in 2017. All the buildings were built with Arkansas sandstone, Indiana limestone and Vermont slate, however we urge you to take your own creative license when choosing your colors.

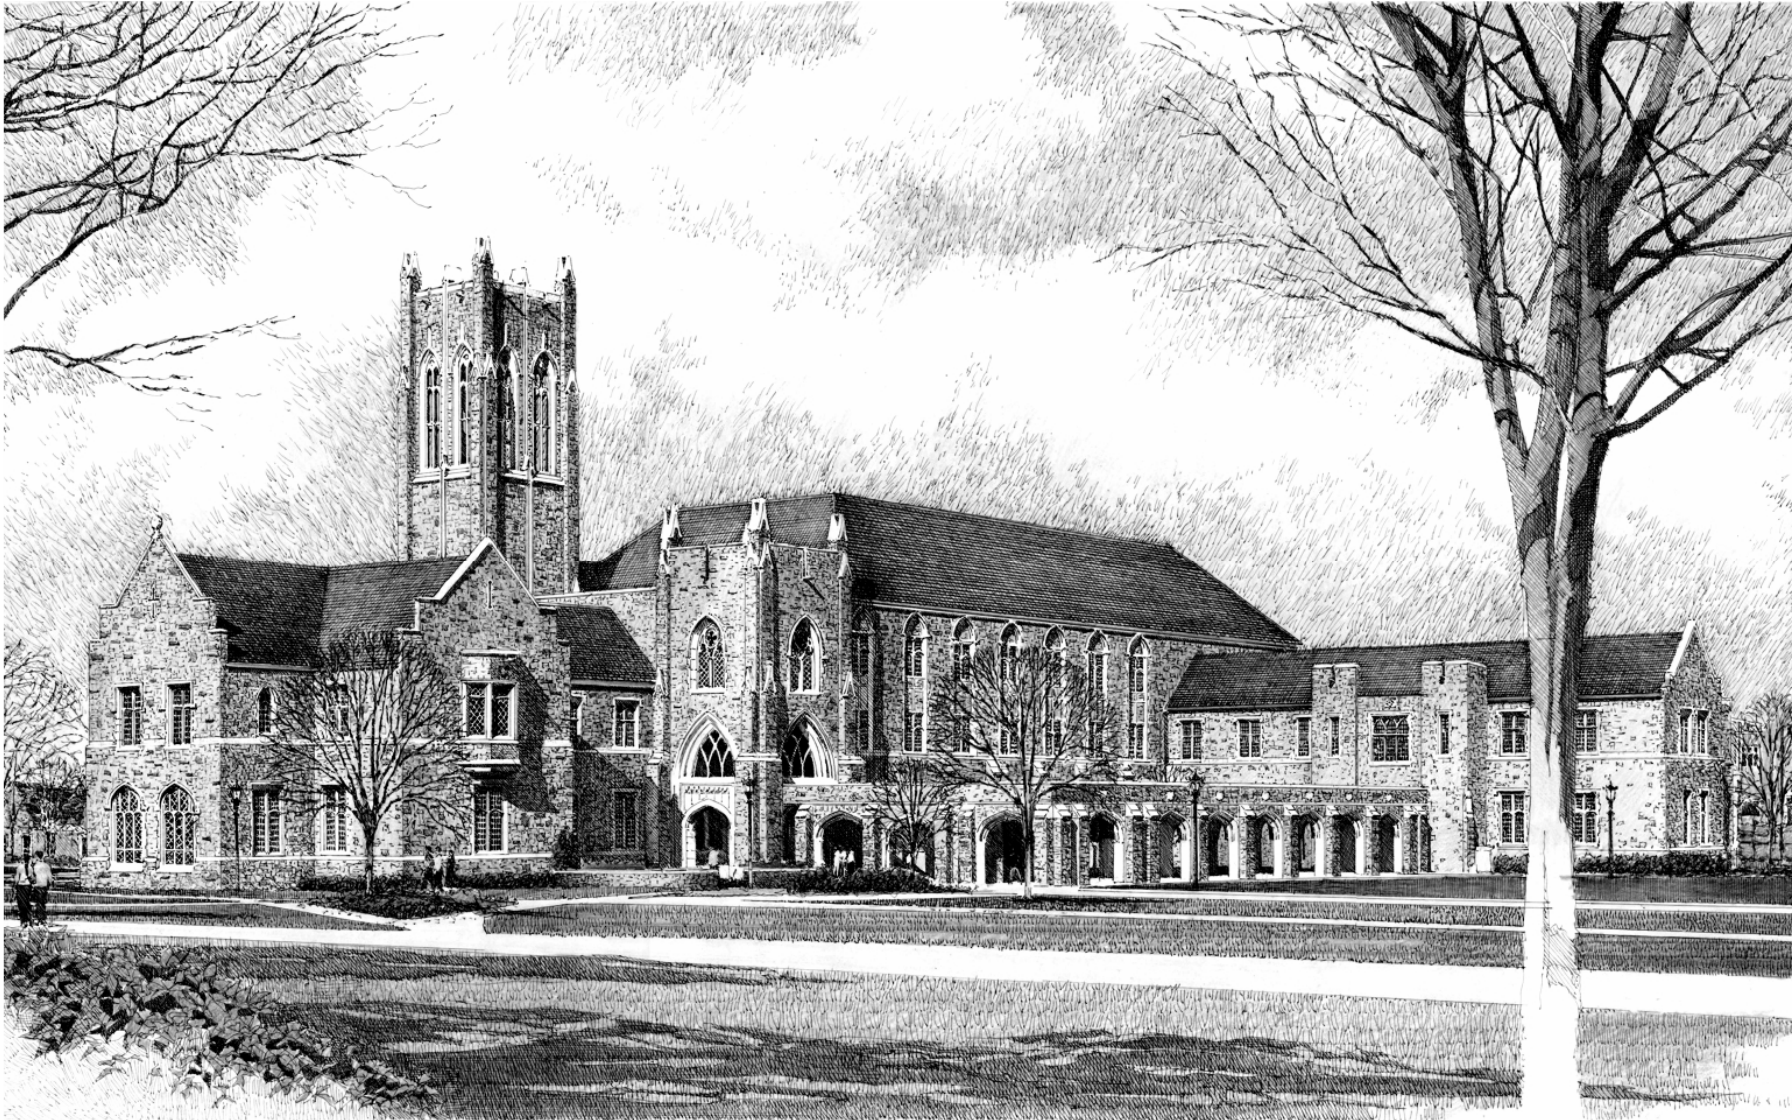

Most of the images in this collection were used as tent calendars that were mailed to alumni, friends and staff of the college from its President.

Thy stalwart towers of solid stone,
Thy vaulted arches strong,
Inspire our loyal hearts each one
To fight against the wrong;
Our lives reflect the beauty of
Thy stately cloister'd halls,
And characters grow genuine
That dwell within Thy walls.

-John B. Edwards
