

Sweet Valentine

Patent Coloring Book

UMass Amherst Libraries Patent &
Trademark Resource Center

February 2020

Sweet Valentine Patents - Compiled by PTRC Librarian Paulina Borrego

This coloring book contains a patent image from each of the patents or patent applications listed below. While patents or patent applications can be many pages, a single image was chosen for this coloring book. In some cases, images were cleaned-up to remove extraneous marks from machine scanning.

There are three types of United States patents: Utility patents, Design patents, and Plant patents. The list below contains one utility patent, design patents (D), plant patents (PP), and one patent application.

To learn more about patents, contact the UMass Amherst Patent & Trademark Resource Center Librarian Paulina Borrego pborrego@library.umass.edu. The UMass Amherst Libraries Patent and Trademark Resource Center (PTRC) is part of a nationwide network of public, state, and academic libraries that are designated by the USPTO (United States Patent and Trademark Office) to disseminate patent and trademark information and to support the diverse intellectual property needs of the public.

This and other patent coloring books available online at https://works.bepress.com/paulina_borrego/.

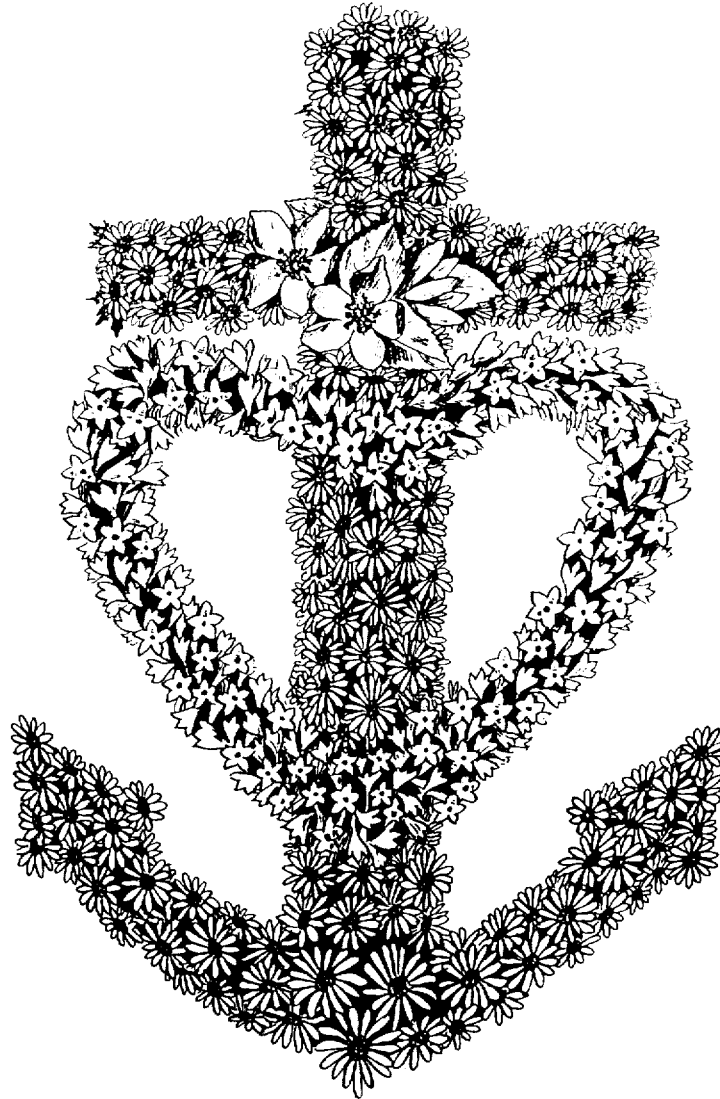

Patent #	Title	Date
