ABOUT THE COLOURING BOOK

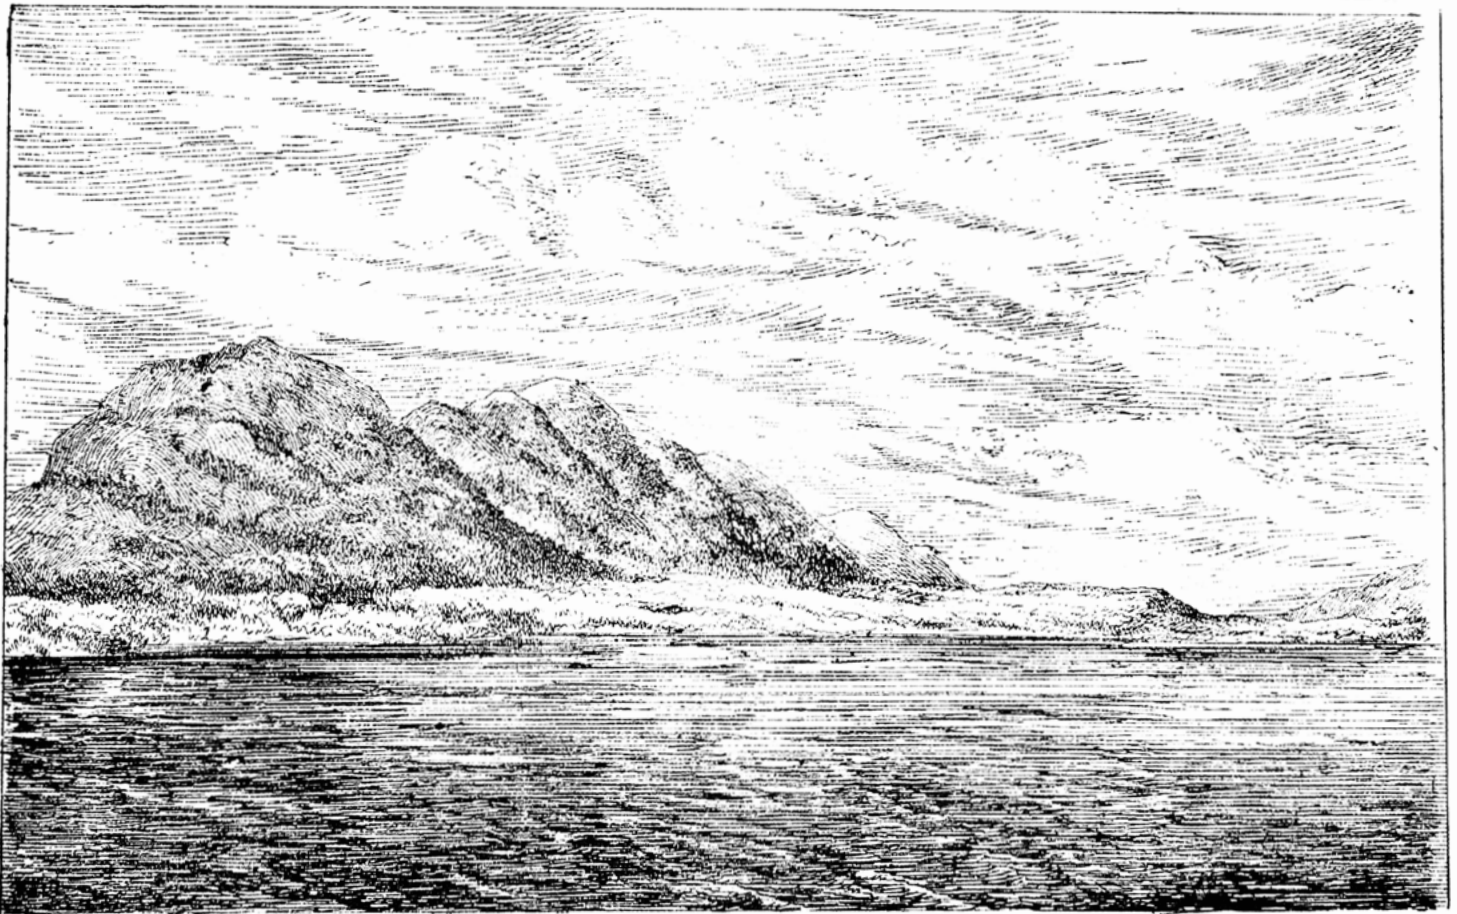

The Conservation and Sustainability colouring book contains images from UBC Library's Open Collections, a publicly-accessible resource for digital collections created from materials held at branches across the Library:

The B.C. Historical Books collection combines the traditional tools of bibliography with the new tools of the digital world to transform our understanding of, and insight into, the history and life of British Columbia. >>

library.ubc.ca/colour-our-collections/

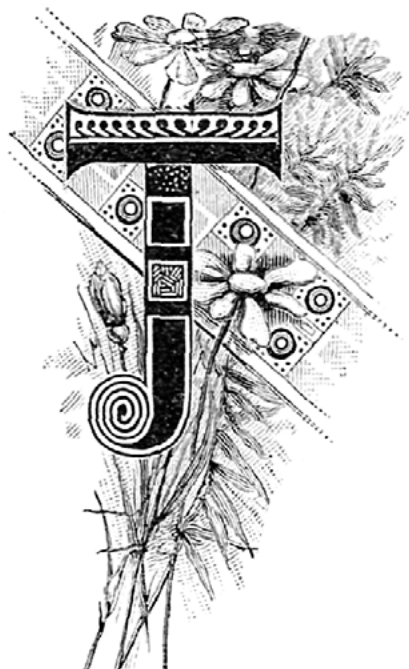

UBC is proud to be ranked the top university in Canada for meeting the United Nations' 17 sustainability goals. >>
