Illustrations by STELLA KOSTYŁA | polish young artist from Sosnowiec, currently based in Thorn /Toruń, Poland/ She's a student of a fifth year of the Painting faculty at Fine Arts Department. Her art is mostly inspired by nature, especially wild landscapes and little, unappreciated things like moss between parts of the sidewalk - usually she transformates that impressions into abstract painting. Lately, she is also interested in illustration (not only for kids) and digital painting.
