NYAM#ColorOurCollections

Launched by The New York Academy of Medicine Library in 2016, #ColorOurCollections is an annual coloring festival on social media during which libraries, museums, archives and other cultural institutions around the world share free coloring content featuring images from their collections.

The New York Academy of Medicine Library is home to one of the most significant historical collections of medicine and public health in the world. The Library is dedicated to safeguarding the heritage of medicine to inform the future of health.

Visit <https://www.nyam.org/library/> for our digital collections, upcoming events, or to schedule an in-person appointment.
