

**South Carolina State Library
Rare Book Collection**

The South Carolina State Library is the primary administrator of federal and state support for the state's libraries. In 1969, as the result of action by the General Assembly, the State Library Board was redesignated as the South Carolina State Library and assumed responsibility for public library development, library service for state institutions, service for the blind and physically handicapped, and library service to state government agencies. The South Carolina State Library is headquartered in Columbia, SC.
