Michael Marcus, a notorious library thief, has finally been captured! While searching his home, investigators discovered a hidden trove of long-lost manuscripts written by unknown authors from the 20<sup>th</sup> century. Using only the clues given, match each piece to its author and date so we can return them to the Libe.

Remember, as with all grid-based logic puzzles, no option in any category will ever be used more than once.

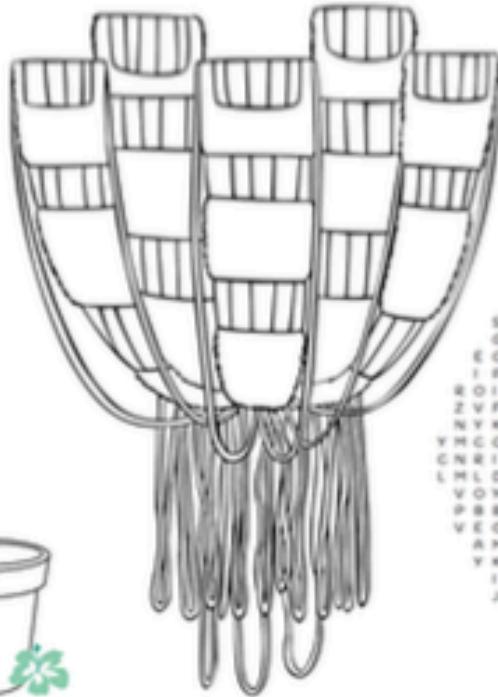

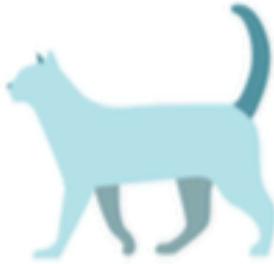

Clues:

- 1.H. Allen's manuscript is "To Kill a Dove."
- 2.J. Lewis's manuscript was written 16 years after "Brave New Earth."
- 3."Brave New Earth" was written sometime before W. Robinson's manuscript.
- 4.The 1948 manuscript is "Lord of the Pigs."
