Archives and Special Collections
Samuel C. Williams Library

COLORING BOOK

CREATED FOR #COLOROURCOLLECTIONS 2018

The Archives & Special Collections houses historic manuscript collections, family papers, rare books, and artifacts that cover the history of the Stevens Institute of Technology as well as areas related to technological innovation in industry and the arts.

Notable holdings include the Frederick Winslow Taylor collection, the Stevens Family papers, the Alexander Calder collection, and the Lieb Memorial Collection of Leonardo da Vinci.
