Burke Library Coloring Book 2020

About

#ColorOurCollections is a week-long coloring fest on social media every February organized by libraries, archives, and other cultural institutions around the world. Using materials from their collections, these institutions share free coloring content and invite their followers to explore these collections through the reflective practice of coloring. The initiative was launched by The New York Academy of Medicine Library in 2016. Share your creations using the **#ColorOurCollections** hashtag, and tag the Burke Library at **@BurkeLibraryUTS** on Instagram, Twitter, and Facebook. Find and download any of this year's participating institutions' coloring books at www.ColorOurCollections.org and explore collections from across the globe.
