Once you've coloured our collections, why not share your creations with us? Tweet [@TheUL](https://twitter.com/TheUL) with the hashtag #ColorOurCollections, or post to our Facebook page at www.facebook.com/cambridgeuniversitylibrary

We have regular public events throughout the year, including talks and seminars in the University's Science Festival and Festival of Ideas, exhibition tours, and open days.

Our exhibitions programme is free to all, with two major exhibitions each year and a monthly changing programme in the Library Entrance Hall.

Interact with our collections in your own way: Thousands of books, manuscripts, photographs and more have been digitised in the Cambridge Digital Library at <https://cudl.lib.cam.ac.uk/> including many of the items in this booklet.

Want to help the Library preserve and extend its remarkable collections into the future, while gaining behind-the-scenes access and invitations to special events? Why not join the Friends of the Library? <http://www.lib.cam.ac.uk/giving/friends-library>
