CLEMENT'S

SHORTER

B

Yet Ah, that Spring  
 Should vanish with  
 the Rose!  
 That Youth's sweet-  
 scented manuscript  
 should close!  
 The nightingale that  
 in the branches sang,  
 Ah whence, &  
 whither flown  
 again, who  
 knows?

Rubairat of  
amir Khayyam.
