Our full stock of Spring and Summer Suitings and Overcoatings is now ready. Our customers will find it for their interest to make an early selection, not only because the most desirable styles are sold the best of the season, but, judging from our experience for the past two years, we shall be obliged to decline many orders later in the season from our inability to make up goods as soon as wanted by our customers. We shall take pleasure in showing our stock to all who will favor us with a call.

## DR. GREENE'S NERVURA

**BLOOD AND NERVE REMEDY**  
Rebuilds, Sustains, Cures.

Nearly everybody needs toning up in the Spring, but to those who are weak and exhausted by disease this is a specially trying time. It is now you feel the burden of life as never before. All your weakest spots are attacked and nature is not strong enough to pull along unaided.

*Mrs. C. D. Smith, Wattsfield, Vt., says:*

"I have been for a long time feeble, my nerves being very weak. Many times when I awoke in the morning, I could not control my-self in the least and my nervousness found vent in a long spell of weeping. It was 12 years ago that I was taken with this nervous trouble, and I have suffered much. I have employed many doctors with varying results. I can truthfully say that I have been greatly benefited by Dr. Greene's Nervura blood and nerve remedy, and since I have used Nervura my nerves have been calm and quiet, my general health has been better. I think the medicine is an excellent one and I gladly recommend it to others."

**Dr. Greene's NERVURA Blood and Nerve Remedy is the Help You Need.**

*Mrs D. G. Fernald, of Manchester, N. H., writes:*

"I have used Dr. Greene's Nervura blood and nerve remedy for nervousness. Loss of sleep and appetite were the principle ill effects caused by my condition. The ringing of a bell or any sudden sound, no matter if trifling, would cause me to start and it would greatly affect my nerves. Seeing in the paper how valuable Dr. Greene's Nervura was, I began taking it, and the result was very satisfactory. I took four bottles and I can sleep beautifully and my appetite has returned. I feel so much better that I have now stopped taking the Nervura."

**FREE ADVICE FOR YOU.**

Simple, but marvelous is the work of Dr. Greene's great medicine, and its successes are due to the harmonious fitting in of its elements with nature's own forces. Dr. Greene's advice is to be had without cost by all who call at his office, 34 Temple Place, Boston, or who write to him through the mail. The laws of health are explained by Dr. Greene easily, and his advice and treatment are absolutely certain help.
