FLUFFY  
MEDICAL ADVICE

If you feel glum and gloomy  
And can find no joy in life  
If you've become a "nightmare"  
To your children and your wife,  
If you're feeling shot to pieces  
Dismal thoughts you can't dispel,  
If you've got the he-be-gee-bes  
And the world seems gone to Hell,  
If all you do is sit and mope  
And feel you're in a bog  
It isn't pills you need my friend  
You need to own a dog.

Hawkins, W. A. (1940). Medical Advice. In *Musings While in a Hospital*.
